

Olive Kobuthi

Olive is a mission worker with WEC **Worldwide Evangelisation for Christ** (WEC International).

Ballygilbert is her “supporting” church and although there is no financial commitment we have a pastoral and prayerful commitment.

At present WEC is hoping that Olive will return to work with them in Northern Ireland and take up the position of Editorial Director of their “Geared for Growth” studies.

Further details of this work will be given when it is confirmed that Olive will return to Northern Ireland.
